PLAN DE SALUD MENONITA

Welcome to Plan de Salud Menonita - Vital!

We are a Puerto Rican insurer with a solid track record offering health services throughout the island. Also, we are part of the Mennonite Health System, a non-profit institution recognized for its high-quality standards.
Rest assured that our commitment is to offer you access to the health services you need, where you need them.

This directory contains the list of the providers available to manage your health needs in a coordinated manner. All the providers comply with the highest of quality standards.

To facilitate your search, we have divided our provider directory by type of service, as follows:

- Primary Care Network
- Preferred Provider Network
- General Network
- Mental Health Providers
- Dental Health Network
- Pharmacy Network

You can have access to updated versions of this document, through the following different ways:

- Beneficiary Portal: www.menonitavital.com
- Beneficiary Call Center, Monday to Friday, 7:00am – 7:00pm
    - 1-866-600-4753
    - 1-844-726-3345 TTY (hearing impaired)
- Visiting our 11 Service Centers

If you need additional information or to schedule a service, please do not hesitate to contact us. We will gladly assist you.

Language

For your benefit this Directory is provided in Spanish and English. If any member of your family is a Beneficiary in VITAL with Plan de Salud Menonita, and the person has problems reading, or has a disability such as blindness and needs special services to be able to receive the information provided in this document, **the person may request help by calling our toll-free Beneficiary Service line 1-866-600-4753/ TTY (hearing impaired): 1-844-726-3345, you can find this numbers on the back of your ID card.**

Definitions

Administrative Referral: Written authorization issued by the Health Plan for the Beneficiary to receive the required service, if medically necessary, when the PCP or other PMG physician does not provide a Referral within the required time period.

Auto Enrollment: Automatic enrollment in the Health Plan of a Medicaid certified eligible person once the Health Plan is notified of such eligibility.

Appeal: A request from the Beneficiary for the review of a decision. It is a formal request made by the Beneficiary, his authorized representative or provider, acting on behalf of the Beneficiary with the consent of the Beneficiary, to reconsider a decision in the case that the provider does not agree.

Authorization: A written document through which a person freely and voluntarily authorizes another person or provider to represent, him/her for medical or treatment purposes or to initiate an action such as a grievance. It may also be used to end a previous authorization.

Benefits: The health care services covered under VITAL.

CHIP: *Children Health Insurance Program*, a federal program that provides medical services to low-income children age 21 and under, through Insurers qualified to offer coverage under this program.

Commonwealth Population: Individuals, regardless of age, who meet State eligibility standards established by the Puerto Rico Medicaid Program but do not qualify for Medicaid or CHIP.

Coinsurance: A percentage of the cost of a health service which the Beneficiary must pay after receiving the service.

Complaint: An informal claim on the quality of care, customer service or treatment received by providers, personnel of your Health Plan, or PMG. It does not include disputes involving medical services, coverage or payment for services.

Coordinated Care: Is the service provided to Beneficiarys by doctors who are part of the preferred network of providers of your PMG. The PCP is the leading provider of services and is responsible to periodically evaluate your health and coordinate all medical services you need.

Coordination of Benefits: It refers to the order in which health services are paid when the person has more than one health plan. One of the plans is considered the primary plan. The NGHP will always be considered the last payor.

Copayment: An established fixed amount that is the Beneficiary's contribution to the expense for a medical service he/she receives.

Covered Services: Those services and benefits included in the NGHP coverage.

Deductible: A fixed amount pre-determined by ASES, which the Beneficiary must pay when he/she receives, health services.

Beneficiary: A person who after being certified as eligible under the Medicaid Program has completed the enrollment process with the Health Plan and for whom the Health Plan has issued the ID card that identifies the person as a VITAL Beneficiary.

Emergency Medical Condition: A medical problem so serious that you must seek care right away to avoid severe harm.

Emergency Services: Treatment of an emergency medical condition to keep it from getting worse.

Enrollment Counselor: An individual or entity that performs choice counseling, or enrollment activities, or both.

Grievance: A formal claim made by the Beneficiary in writing, by telephone or by visiting your Insurer or the Health Advocate Office, requesting a solution be granted when a service has been denied or allowed on a limited basis. A service; reduction, suspension or termination of a previously authorized service; total or partial denial of payment for a service; not having received services in a timely manner; when your Insurer has not acted on a situation according to the established terms, refusal of your Insurer to let the Beneficiary exercise his/her right to receive services outside the network

HIPAA (Health Insurance Portability and Accountability Act): The law that includes regulations for establishing safe electronic health records that will protect the privacy of a person's medical information and prevent the misuse of this information.

High Cost High Needs Program: A specialized program of coordinated care for Beneficiarys with specific conditions that require additional management due to the cost or elevated needs associated with the condition.

Hospital: A facility that provides medical-surgical services to patients.

Insurer: The company contracted with ASES to provide your medical services under VITAL.

Medical Record: Detailed collection of data and information on the treatment and care the Patient receives from a health professional.

Medically Necessary: Services related to (i) the prevention, diagnosis, and Treatment of health impairments; (ii) the ability to achieve age-appropriate growth and development; or (iii) the ability to attain, maintain, or regain functional capacity. Additionally, Medically Necessary services must be:

- Appropriate and consistent with the diagnosis of the treating provider and not getting could adversely affect your medical condition;
- Compatible with the standards of acceptable medical practice in the community;
- Provided in a safe, appropriate, and cost-effective setting given the nature of the diagnosis and the severity of the symptoms;
- Not provided solely for your convenience or the convenience of the Provider or Hospital; and
- Not primarily custodial care (for example, foster care).

In order for a service to be Medically Necessary, there must be no other effective and more conservative or substantially less costly Treatment, service, or setting available.

Primary Care Physician (PCP): A licensed medical doctor (MD) who is a provider and who, within the scope of practice and in accordance with Puerto Rico Certification and licensure requirements, is responsible for providing all required primary care to Beneficiarys. The PCP is responsible for determining services required by Beneficiarys, provides continuity of care, and provides Referrals for Beneficiarys when Medically Necessary. A PCP may be a general practitioner, family physician, internal medicine physician, obstetrician/gynecologist, or pediatrician.

Patient: Person receiving Treatment for his mental and physical health.

Prescription: Original written order issued by a duly licensed health professional, ordering the dispensing of a product, or formula.

Preferred Provider Network: Health professionals duly licensed to practice medicine in Puerto Rico contracted by your Insurer for the Beneficiary to use as the first option. Beneficiarys can access these providers without Referral or co-payments if they belong to their Primary Medical Group.

Primary Medical Group: Health professionals grouped to contract with your Insurer to provide health services under a Coordinated Care model.

Prior-Authorization: Permission your Insurer grants in writing to you, at the request of the PCP, Specialist or sub-specialist, to obtain a specialized service.

Referral: Written authorization a PCP gives to an Beneficiary to receive services from a Specialist, sub-specialist or facility outside the preferred network of the Primary Medical Group.

Specialist: A health professional licensed to practice medicine and surgery in Puerto Rico that provides specialized medical and complementary services to the primary physicians. This category includes: cardiologists, endocrinologists, neurologists, surgeons, radiologists, psychiatrists, ophthalmologists, nephrologists, urologists, physiatrists, orthopedists, and other physicians not included in the definition of PCP.

Second Opinion: Additional consultation the Beneficiary makes to another physician with the same medical specialty to receive or confirm that the initially recommended medical procedure is the Treatment indicated for his condition.

Treatment: To provide, coordinate or manage health care and related services offered by health care providers.

Urgency: A medical condition that poses no risk of imminent death that can be treated in the doctor's office or in the facilities with extended hours and not in emergency rooms. An Urgency can become an emergency if not properly dealt with at the right time.

Waste: Is the over utilization of services, misuse of resources or other practices that, directly or indirectly, result in unnecessary costs.
